COMPLETE PEACE OF MIND

Your Nissan vehicle is an important investment, so don't compromise on quality or fit – insist on Nissan Genuine. We are committed to providing our customers with accessories that are designed and developed specifically for your important investment. Already packed with clever innovations inside and out, there's now a complete range of Nissan Genuine Accessories, guaranteed to be the perfect fit for your family.

## WHY YOU SHOULD INSIST ON GENUINE

No other accessory can compare with the Nissan Genuine Accessory, especially in terms of safety, reliability and performance, which is why only Nissan can offer a warranty that matches our new vehicle warranty.

## ACCESSORIES BUILT TO LAST

Nissan Genuine Accessories are subjected to a rigorous testing process in Australia and Japan to ensure they not only comply with Australian Design Rules, but also meet or exceed Nissan's strict engineering standards. This ensures that our range of accessories are reliable, durable and perfectly designed to match your vehicle and lifestyle. From protection or convenience, to safety or technology, there are a number of ways to customise your Nissan.

## WARRANTY – OUR PROMISE TO YOU

When you fit Nissan Genuine Accessories at the time of vehicle purchase, you can be assured that they are backed by Nissan's three (3) year or 100,000 kilometre (whichever occurs first) New Vehicle Warranty, giving you peace of mind whatever happens.

Note: Our goods come with guarantees that can't be excluded under Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if they fail to be of acceptable quality and the failure does not amount to a major failure. To find out more about the accessories that are applicable to your vehicle, speak with a Nissan Sales Consultant.
